

Frank & Ron Hotel-Motel Supply, Inc.

WHAT WE OFFER

Design – From modern to contemporary, transitional to traditional and everything in between, we offer a vast range of solutions to fit your furnishing needs.

Inventory – We offer nearly 100,000 square feet of inventory on hand, so most products are available to ship within 2-3 days of your order.

Shipping – We allow you to combine multiple categories of products in a single shipment, simplifying logistics and saving up to 70% on freight costs. Items ship from our centralized Chicago warehouse, reducing transit times.

WHY CHOOSE STOCKED?

A wide selection of stocked items from multiple categories means that you can bundle together the items you need, have them arrive together, and save on freight. It also means that you get the product you need fast to minimize the amount of time your rooms are down. We have shipments of stocked items arriving weekly, as compared to many of our competitors who can take anywhere from 10-16 weeks to fulfill an order. If you decide a custom item better suits your needs, our lead time is 12-14 weeks from order to arrival in Chicago.

LIGHTING

11 collections in stock.
Custom lighting available.

SEATING

20 styles in stock.
A variety of custom colors
& combinations available.

MIRRORS

13 styles in stock.
Custom sizes up to 72" x 60."

FRAMED MIRRORS

Custom mirrors are available up to H 72" W 48". Our mirrors feature Starlock™ cleat-style security mountings that can easily be repositioned for horizontal mounting of mirrors. Frames have miter-cut corners, glued and "V" nailed for durability.

Our LED backlit mirrors offer industry-leading design, quality, and value. Produced specifically for the hospitality market, they feature advanced LED lights mounted to a rigid aluminum heat sink for high lumen output.

Super Bright | Our 5730 SMD LED bulbs are up to 3 times brighter than typical 5050 SMD bulbs

22+ year lifespan | Superior thermal management to maximize durability and longevity

Environmentally Friendly | Float plate made without copper, arsenic, or lead

Compliant with UL 1598 Standard for lighted mirrors
